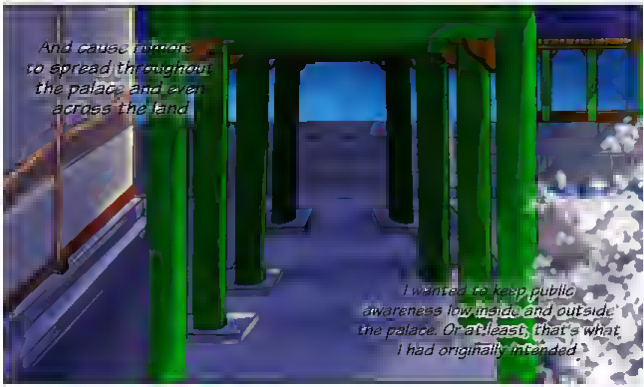
Thanks for taking the time to read this message.

The barrier has been broken.
I knew it would happen.
But I didn't anticipate
the gravity of the situation.

I was planning to treat the matter at the right time, and if she truly is the god priestess, then the 3rd party should recognize her.



And cause rumors to spread throughout the palace and even across the land.
I wanted to keep public awareness low inside and outside the palace. Or at least, that's what I had originally intended.

Nothing is easy.
I thought I was well prepared.

What's going on?
First let's call the people.
Is the rumor really true?
The myth really was happening around here?!
What is going to become of the test now?

Your...Your Highness we don't know what will happen you should stand back...
I agree. That light looks dangerous. Please stay back.
It's okay. How long has the light been here?

Unfortunately,
But people are saying different things, so we are still trying to find out.

Appear
Emperor of Siho Country,
Our meeting 7 years ago
should've been our last.
I didn't intend
to show myself
here again.
However due to
an intruder, it cannot
be avoided.

Who is the intruder?
I'm not sure. That's why I came myself.
Then... why...
First, according to my promise with you
I'll give you that child

But she has not yet awakened
I attempted to wake her true self, but I was unable due to an intruder.

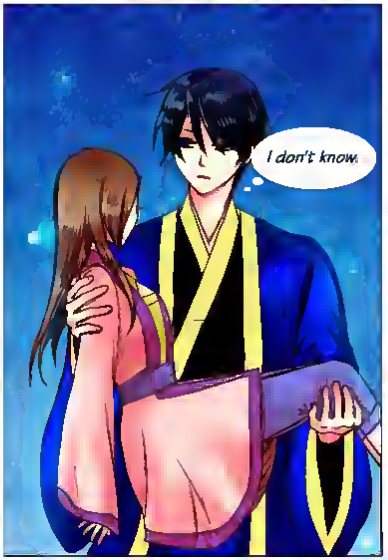
It could have ended badly.
I can only do so much.
You must awaken her
and use her from now on

I wanted to stay with her longer and show her more places
But I'm being tied down by some unknown force. So I'll give you everything to manage on your own. But you must remember what happened to the previous emperor.
MISTY RAIN

Depending upon your choices,you can achieve what you've set out to do
However it could also start the embers of a war.

Know this well
I remember our promise from before.

If you go against that promise.
I'll take her to the Yeon Seo country.



I don't know.

Yeon Seo country
What's the reason for warming me like this?
Yeon Seo country... Why?
What will change if she goes to the Yeon Seo country?
There is no limit.
Maybe her power is...

MISTY RAIN
What you think, it is correct
My time in this form is up
Let's meet again

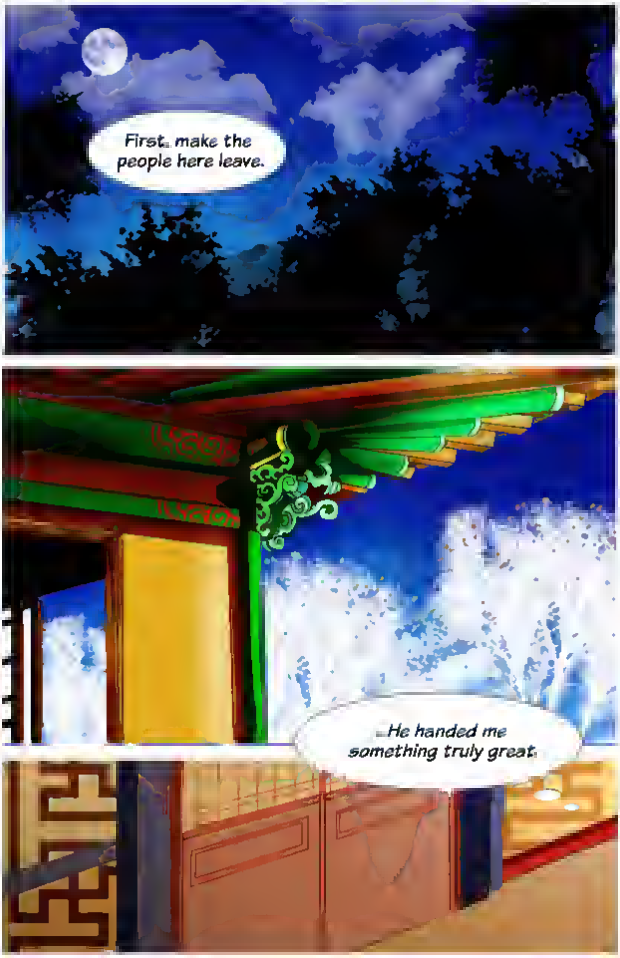
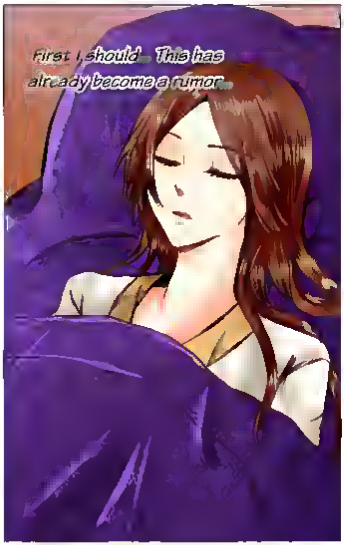
Your Highness.
Let's move this elsewhere.
I will take her to her room.
NO, I'LL TAKE HER.



First, make the people here leave.
...He handed me something truly great.

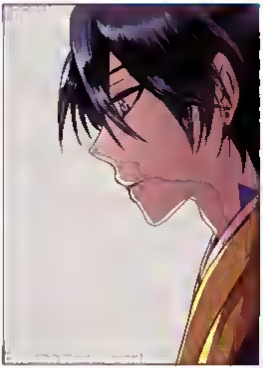
What is her true identity?

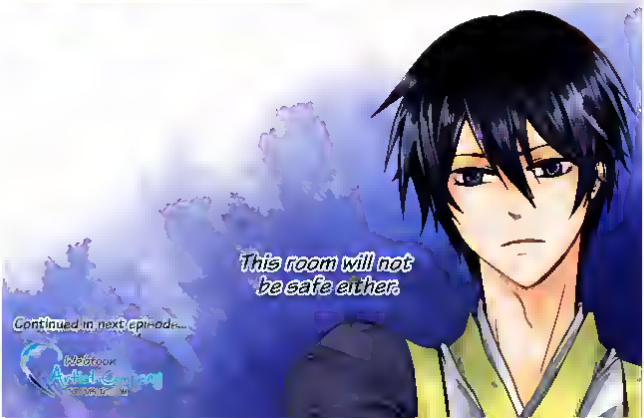
And what of the exam? It seems meaningless at this point.



First, I should... This has already become a rumor...

MISTY RAIN





This room will not be safe either.
Continued in next episode...
